Review Byksize II

Comments: 2

- Comments added for most methods however not very comprehensive
- No comments throughout instance variables

Style: 4

- Consistent spacing throughout the code
- Variable and method names are comprehensible and consistent
- Methods are all camel case

Robustness: 4

- Iterator is not implemented
- Most core methods are defined and implemented
- Exceptions thrown
- No code that runs

Readme: 4

- Everything required of the readme is inside
- Development plan makes sense
- Clear explanation of implementation with doubly linked node
